

# Amazing Rhythm Aces, Oh, Lucky Me

Amazing Rhythm Aces  
Out Of The Blue  
Oh, Lucky Me  
On the dark side of town  
On the edge of the night  
I cried in the darkness  
Til I saw your light

And now wherever I go  
Whatever I do  
When I reach out for someone  
I always find you

I am the person I always hoped I could make you see  
And you are the first one thats always been there when I hoped you be

Oh, lucky me

Oh, lucky me  
Im one of the few  
Who live in the sunlight  
And dance on the dew

Oh, lucky me  
Theres just too lucky few  
Who reach out for someone  
And find someone like you

Oh, lucky me  
Im one of the few  
Who live in the sunlight  
And dance on the dew

Oh, lucky me
