

# Amazing Transparent Man, Drum Machine

The moon in it's red light,  
I know it's not right.  
It's just pretend.  
And you, as you sleep tight,  
I'll protect you from bed bug bites.  
As trains, they fly by.

And all that I needed,  
And all that I wanted  
Is sleeping right next to me,  
Resting so peacefully.  
All that I ask, Cait, as you slowly drift of to sleep:  
Won't you please dream of me?

My mind, as it wanders,  
Ever further, but you bring me back.  
And you, as my life boat,  
'Cause, baby, I can't float  
Without you by my side.

And all that I needed,  
And all that I wanted  
Is sleeping right next to me,  
Resting so peacefully.  
All that I ask, Cait, as you slowly drift of to sleep:  
Won't you please dream of me?
