

Amazing Transparent Man, Or So You Say...

Don't you worry tonight, everything is going to be alright,
As long as i'm sleepin on your floor.
NO one will ever know, you can watch him at the show,
and think that you love him forever more.

And I know that what we've had we have no more.
I wish I knew what was in store.
You said you'd treat me just the same.
I know you're not the guilty one I know you're not to blame
or so you say...

For now we can just be friends, our link will never end.
I know I'll get my chance someday.
But it's like you're gone, I call you up and you're not home.
I guess you can't think of what to say.

And I know that what we've had we have no more.
I wish I knew what was in store.
You said you'd treat me just the same.
I know you're not the guilty one I know you're not to blame
or so you say...

And I know that what we've had we have no more.
I wish I knew what was in store.
You said you'd treat me just the same.
I know you're not the guilty one I know you're not to blame
or so you say...

don't you worry tonight, everything will be alright.
