

Amazulu, Cairo

Calls me honey baby when he wants it
Calls me Annie baby when he cries
Oh, with me big fat Annie humbug
You give me little honey when me hungry
You give me cola, cola when me dry
Oh, with me good time and me bad times
That's right

Can't get no gyro
Smoking in a bar in Cairo
So I'm doing all I can
For the big man in Cairo

I'm on the heavy manners in the daytime
But on the hula, hula in the night
With no milkshake and no handshake
Sleeping in the morning like a tourist
Working for the dummy all the time
With me big wheel and me high heel
That's right

Can't get no gyro
Smoking in a bar in Cairo
So I'm doing all I can
For the big man in Cairo
Can't get no gyro
Smoking in a bar in Cairo
So I'm doing all I can
For the big man in Cairo

I'm on the heavy manners in the daytime
But on the hula, hula in the night
With no milkshake and no handshake
Sleeping in the morning like a tourist
Working for the dummy all the time
With me big wheel and me high heel
That's right

Can't get no gyro
Smoking in a bar in Cairo
So I'm doing all I can
For the big man in Cairo
Can't get no gyro
In a bar in Cairo
So I'm doing all I can
For the big man in Cairo
In Cairo
In Cairo
In Cairo
