

# Ambassador, Forever

I may burn out like a candle  
And i may pass away  
I may fall just like a shooting star  
My heart will stay  
I'll be yours until forever  
Forever i'll be true  
To the promise i have made  
From the day that i found you

Forever you're in my heart  
Even if we're apart  
I say forever i'll be yours  
Forever i love you  
I say forever i'll be yours  
Forever i love you  
My love will never fade away  
Even if i die  
And i will love you  
Until the end of time  
Even without your smile  
So hear me please

I beg you

Dont walk away i need you  
To stay with me and be  
By my side  
Hold my hand  
And we'll work it out  
Until...

Forever i'll be yours  
Forever i love you  
I say forever i'll be yours  
Forever i'll be true  
My love will never fade away  
Even if i die  
And i will love you until  
The end of time  
Even without your smile  
So hear me please  
I beg you to stay...
