

Amber, I'll Be Alright

Amber:

I'll be alright

I'll be ok

Baby

As long as I have you

I'll be alright

I'll be ok

Baby

As long as I have you

Guy:

When your living alone forever

Your life can seem like a dream

And when you don't trust anybody

Its hard to let their love in

Why am I trying to fight it?

I'm not so sure what to do

It feels to strong to deny it

All I can think of is you

Amber:

I'll be alright

I'll be ok

Baby

As long as I have you

I'll be alright

I'll be ok

Baby

As long as I have you

Guy:

It can get so cold in the city

When your walking the streets all alone

I can feel thats somethings missing

It's hard to change what you know

Why am I trying to fight it?

I'm not so sure what to do

It feels to strong to deny it

All I can think of it you

Amber:

I'll be alright

I'll be ok

Baby

As long as I have you

I'll be alright

I'll be ok

Baby

As long as I have you

Amber:

I'll be alright

I'll be ok

Baby

As long as I have you

I'll be alright

I'll be ok

Baby
