

# Amber, I'm Free

I am a true, true woman  
with a clear face and a strong view  
YOU can try me cuz I stay in balance  
because I have my own crew

I don't care who likes me or not  
I don't care what you see because I'm free  
because I'm free  
I just want to be myself  
I don't owe you because I'm free

I am somebody else  
SO respect me for what I am  
NO body should dictate me and my mind  
For nowhere I stand

I don't care who likes me or not  
I don't care what you see because I'm free  
Because I'm free  
I just want to be myself  
I don't owe you because I'm free

Free to live  
Free to need  
Free to love  
Free to bleed  
Free to speak  
Free to cry  
Free to die

I don't care who likes me or not  
I don't care what you see because I'm free  
Because I'm free  
I just want to be myself  
I don't owe you because I'm -  
Yes believe me fore I'm-  
Don't you know because I'm  
Free
