

# Amber, Love One Another

Chorus:

Love one another, sisters and brothers  
Love one another -- hey ... hey ...  
Love one another, father and mother  
Love one another

Everybody needs a little tenderness  
Everybody needs a release  
from the cell they lock themselves in  
Love is the only peace

Everybody needs, everybody cries  
Everybody bleeds, everybody dies  
Everybody dreams, everybody wakes  
Everybody makes mistakes

Chorus (1x)

One boy is born in Bethlehem  
One girl in Amsterdam  
One boy is born in Gambia  
One girl in Vietnam

Everybody black, everybody white  
We are all the same, if we look inside  
Knowing what we know, why do we still fight?  
Time for us to see the light

Chorus (1x)

Love one another  
Love one another

We were given a world so beautiful  
A deep ocean, a blue, blue sky  
No mother or father should live to see  
A war where children die

Chorus (to fade)

Baby, baby

You've got to give  
You've got to love  
You've got to give  
You've got to love  
(repeat to fade)
