

Amber Pacific, Amber Pacific - Amber Pacific - P.

shes gone away,
still we stay together
people call me crazy, crazy

my thought progress
i think about forever
my mind tells me maybe, maybe

i wish i could drive away
til the sun sets back til the day that we first met
only believe the things i wrote
i put it in a note now
cross my T's and dot my I's
better say hello
don't you dare say goodbye
ill write sincerely yours and sign my name
p.s. i never knew
forever end today

two weeks go bye
so i can spin the wheather
the rain falls down
shes cryin, cryin

my thought progress
shes thinks about forever
their hearts our bound
lyin, lyin

i wish i could drive away
til the sun sets back til the day that we first met
only believe the things i wrote
i put it in a note now
cross my T's and dot my I's
better say hello
im goin wave goodbye
ill write sincerely yours and sign my name
p.s. i never knew
forever end today

all the heartache all the pain
all the words you shed in me
it'll never be the same

i wish i could drive away
til the sun sets back til the day that we first met
only believe the things i wrote
i put it in a note now
cross my T's and dot my I's
better say hello
im goin wave goodbye
ill write sincerely yours and sign my name
p.s. i never knew
forever end today

forver end today
forver end today
p.s. i love you
forver and today
