Ambrosia, Baby Come Back

Spending all my nights, all my money going out on the town Doing anything just to get you off of my mind But when the morning comes, I'm right back where I started again Trying to forget you is just a waste of time

Chorus:

Baby come back
Any kind of fool could see
There was something in everything about you
Baby come back
You can blame it all on me
I was wrong and I just can't live without you

All day long wearing a mask of false bravado Trying to keep up a smile that hides a tear But as the sun goes down I get that empty feeling again How I wish to God that you were here

(Chorus)

Now that I've pulled it up all together Give me the chance to make you see Have you used up all the love in your heart Is there nothing left for me, is there nothing left for me

(Chorus to fade)
