## Ambrosia, Biggest Part Of Me - Ambrosia

Yeah

(Sunrise)

There's a new sun arisin'

(In your eyes)

I can see a new horizon

(Realize)

That will keep me realizin'

You're the biggest part of me

(Stay the night)

Need your lovin' here beside me

(Shine the light)

Need you close enough to guide me

(For all my life)

I've been hopin' you would find me

You're the biggest part of me

Well make a wish, baby well, and I will make it come true

Make a list, baby of the things I'll do for you

Ain't no risk, now, in lettin' my love rain down on you

So we could wash away the past, so that we may start anew

(Rainbow)

Risin' over my shoulder

(Love flows)

Gettin' better as we're older

(All I know)

All I want to do is hold her

She's the life that breathes in me

(Forever)

Got a feelin' that forever

(Together)

We are gonna stay together

(Forever)

For me, there's nothin' better

You're biggest part of me

Well make a wish, baby well, and I will make it come true

Make a list, baby of the things I'll do for you

Ain't no risk, now, in lettin' my love rain down on you

So we could wash away the past, so that we may start anew

Oh more than an easy feelin', she brings joy to me

How can I tell you what it means to me?

Flow like a lazy river for an eternity

I've finally found someone who believes in me and I'll never leave

Oh, oh, not to doubt now

Mmm, make life grand

Well make a wish, baby well, and I will make it come true

Make a list, baby of the things I'll do for you

Ain't no risk, now, in lettin' my love rain down on you

So we could wash away the past, so that we may start anew

Yeah yeah yeah

(Beside me)

Need your lovin' here beside me

(To guide me)

Keep it close enough to guide me

(Inside of me)

From the fears that are inside of me

You're the biggest part of me

(Forever)

Got a feelin' that forever

(Together)

We are gonna stay together

(Forever)

From now until forever

You're the biggest part of me

You're the life that breathes in me

You're the biggest part of me

You've changed my life You made it right And I'll be a servant to you For the rest of my life You're the biggest part of me
