

# Ambrosia, I Just Can't Let Go

Oh, what's the matter baby? Is the truth too hard to hear?  
Well, I think you know I'm not the one who lied  
And now it's all behind us and we both play out our lives  
But the years don't change the way I feel inside  
So we play the game out  
Though it feels the same now are you missin' me?  
Well now, baby just be aware  
Of how much I still care oh, I need your love  
I gave to you my heart and soul  
Now I just need to let you know  
You're part of me that I just can't let go, go  
Well, tell me somethin' baby is there still some thing inside  
To remind you of the way it used to be?  
And how the years have rolled by still there's somethin' I must say  
No one ever could have loved you more than me  
So I'm passin' time now  
Wishin' you were mine now are you missin' me?  
Well you know it's not too late  
Oh, how long must I wait oh, to hear you say  
I gave to you my heart and soul  
Now I just need to let you know  
You're part of me that I just can't let go, go  
And I need your love, and I need your love  
Everywhere I go there's a memory and if you can't decide on me  
Well you gotta make up your mind  
Someday you're gonna find you just might need me  
Oh, baby, ooh  
Well now, baby just be aware  
Of how much I still care  
Oh, I need your love  
I gave to you my heart and soul  
Now I just need to let you know  
You're part of me that I just can't let  
Part of me that I just can't let  
Part of me that I just can't let go  
Can't let go, babe, no  
But I need you baby, so bad, baby  
I just can't let go, no, baby  
No matter how many years we're apart  
I still hold you here in my heart, baby  
Can't let go, babe, no, no  
Ah, just can't let go, just can't let go  
Yeah, ooh
