

Ambrosia, Ready

(Pack)

Well I gotta catch a plane
Check on out of L.A.
To somewhere I've never travelled
I'm on my way Yeah, I'm ready

So , sit back in your chair,
'Cause I'll be there soon
Don't get too unraveled,
Just kick off your shoes
Keep your head on steady

You gave me the feelin'
And the love I need to go on
And I won't let you down
'Cause I'm ready right now

You gave me the feelin'
And the love I need to go on
And I can't wait no more
'Cause I'm ready

I was raised up in the middle
Of a house full of hell
And I'm lucky to be here
With something to tell
Glad those days are behind me
Oh yes I am

Well, the odds are against me,
But I've still got the fight
I've learned the hard way
Of doin' it right
Now I'm ready

I said you gave me the feelin'
And the love I need to go on
And I can't wait no more
'Cause I'm ready right now

You gave me the feelin'
And the love I need to go on
And I won't wait no more
'Cause I'm ready
Said I'm ready
Yeah yeah

I said you gave me the feelin'
And the love I need to go on
And I can't wait no more
'Cause I'm ready right now

Said you gave me the feelin'
And the love I need to go on
And I won't wait no more
'Cause I'm ready right now now

You gave me the feelin'
And the love I need to go on
And I can't wait no more
'Cause I'm ready
Said I'm ready, oh right now
Mmmmmm said I'm ready (Ready)

Well I'm ready (Well I'm ready)
Yeah I'm ready...
