

# Ambulance LTD, The Ocean

Here comes the ocean  
And the waves down by the sea  
Here comes the ocean  
And the waves, where have they been?

Silver and black at night  
Kiss to a summer's night  
An empty splendid castle

Bowing alone at night  
Princess has had a fright  
Madness is out of love for her

Here come the waves  
Down by the shore  
Washing the soul of the body  
That comes from the depth of the sea

Here comes the ocean  
And the waves down by the sea  
Here comes the ocean  
And the waves, where have we been?

Don't swim tonight my love  
The tide is out my love  
..

Only..  
In which rulers..  
Revel in heaven's justice

Here come the waves  
And save for a scream  
There's much like a song  
To be heard in the wind that blows from the sea

Here come the waves  
Here come the waves  
Here come the waves  
Here come the waves  
Here come the waves  
Here come the waves
