

Amebix, Chain Reaction

Rise into the light, and set a flame to the night
We must destroy the institution of fear
Every shadow of doubt, grind it out!
There is a vision now becoming so clear

[Chorus:]

Use your head, take control
Use your head, no gods no masters

Feel the strength from within, do you believe it's a sin
To find the power lying inside your mind
Not from the cross or the gun
Not from the moon nor the sun
But rising from the very soul of mankind

We are straining at the leash!

We swear allegiance to none, be, not become
There is no one upon whom praise we will shower
I believe that the sin is the first to give in
On the path toward the ultimate power
