

# Amel Larrieux, Mountain Of When

Aim To Be Strong  
Fiddle With An Arrow  
The Shot Is Too Long  
Precision Is Not In My Marrow  
What's Wrong  
With Me Contentedly Singing My Own Song  
But Not Heard The Music

The Writings' On The Wall  
But I Took The Scenic Route  
And I Can't Call  
The Number's In The Pocket Of My Jeans  
Through It All  
Talking The Talk ,Running Before I Walk  
Missing The Meaning

[Chorus:]  
Plotting The Course  
While I'm Stuck At The Bend  
Penchant For Rocky Terrain And Dead Ends  
Wind Myself Up Just To Unravel Into A Great,  
Mountain Of When

Should've Is A Place  
I Sometimes Frequent  
Yet They Know My Face  
Better At I Can't  
But If There's A Wait  
I Will Is Close By And When Stays Open Late,  
The Menu Is Vast

[Chorus]

Predicting The Loss  
Before I Begin  
So It Don't Cut Too Deep  
When I Don't Win  
Not Like It's Working  
For This Clever Lark  
I Can Recite The Story  
Behind Every Scar  
Predicting The Loss  
Before I Begin  
So It Don't Cut Too Deep  
When I Don't Win  
I Hate It When I'm Right  
Much Rather Be Wrong  
I'd Rather Be Wrong

[Chorus]
