

Amel Larrieux, Wild Is The Wind

Love me, love me, say you do
Let me fly away with you

We are creatures of the wind
Wild is the wind

Give me more than one grasp
To satisfy this hungriness

We are creatures of the wind
Wild is the wind

You touch me
I hear the sound of mandolins
You kiss me
With your kiss my life begins

Like a leaf clings to a tree
Baby please cling to me

We are creatures of the wind
Wild is the wind

You touch me
I hear the sound of mandolins

And you kiss me
With your kiss my life begins

Love me, love me, say you do
Let me fly away with you
