

Amel Larrieux, Wild Is The Wind

Love me, love me, say you do
Let me fly away with you
For my love is like the wind
And wild is the wind
Give me more than one caress
Satisfy this hungriness
Let the wind blow through your heart
And wild is the wind
You touch me
And I hear the sound of mandolins
You kiss me
And with your kiss my life begins

You're spring to me
All things to me
You're life itself
Like a leaf clings to the tree
Oh, my darling, cling to me
For we're creatures of the wind
And wild is the wind
And wild is the wind
And wild is the wind
