Miscellaneous

Big Big World

I'm a big, big girl

In a Big Big world

It's not a big, big thing

If you leave me

But I do, do feel

That I do, do will

Miss you much

Miss you so much

I can see the first leaves falling

It's all so yellow and nice

It's so very cold outside

Like the way I'm feeling inside

Chorus

Outside it's now raining

And tears are falling from my eyes

Why did it have to happen

When did it have to happen

Why did it all have to end

Chorus

Bridge

I have your arms around me

Warm like fur

But when I open my eyes You're gone

Chorus
