

# Amen, Ck Killer

Attention

Well, I was born an amputee inside here  
Who can't turn and pledge allegiance  
We just fall behind and we just fall behind  
We default your procreation  
We default your assassination

Paralyzed

We're paralyzed

We're born from you, we've come to  
'Cause Calvin Klein's the killer  
They want to look like you

'Cause Calvin Klein's the killer

This fashion is a warning sign

You were shot for your division

We just fall behind and we just fall in line

We default your procreation

We default your assassination

Paralyzed

We're paralyzed

'Cause Calvin Klein's the killer

Versace, now is the killer

'Calvin Klein's the killer

Versace, now is the killer

Paralyzed
