

# Amen, Sorry, Not Sorry

Sit back and open fire

Sit back and just retire

Sit back and open fire

Sit back and...

Live in submission

Live in a choice  
It never meant that much to me

Without permission

Without a voice

I only live when I can't breathe

We couldn't kiss we couldn't fight

We couldn't wait for tomorrow  
Without a fist without a fight

We waited for no tomorrow

Sorry

I'm not sorry

Sorry to live my life this way  
Sorry to let myself decay

Sorry, I'm not sorry

Sorry to live my life this way  
Sorry to let myself decay

Sit back and open fire

Sit back and...

It didn't kill us

The pleasure did

Infected from the things I did

Rip off the willing

Rip off the tried

Slip in beds and open fire

RIOT NOW! Let it be known

And right now just leave me alone

That it's too close for you

'Cause it's too close for me

It meant nothing to you

It was nothing to me

Sorry

I'm not sorry

Sorry to live my life this way

Sorry to let myself decay

Sorry, I'm not sorry

Sorry to live my life this way

Sorry to let myself decay

Sit back and open fire

Sit back and...

Right now!

Just let them open fire

Right now!

Just let them open fire

Right now!

Just let them open fire

Right now!

Just let them open wide

Sorry, I'm not sorry

RIOT NOW!

RIOT NOW!

Sit back and open fire
