

America, Right Before Your Eyes("rudolph Valentino")

America

View From The Ground

Right Before Your Eyes("rudolph Valentino")

Every day i sit beside you

On the bus to madison avenue

Work in the big gray store

With the revolving doors

You don't even know my name

I guess that i'm to blame

Don't know the right things to say

So i pretend away

That i'm rudolph valentino

Pull up in my limousine

Oh, won't you come in out of the rain

Things'll never be the same

And then just like greta garbo

You stare like there's no tomorrow

And you'll know what i'm thinking of

Right before your eyes i fall in love with you

Do, do, do ...

Today i'm done with games (today i'm done with games)

Gonna ask you for your name

Say i've been watching you

I even know what you do

Maybe today i'll tell you (maybe today i'll tell you)

I've found the nerve to sell you

On a guy like me

Who wishes that he could be

Your rudolph valentino

Pull up in my limousine

Oh, won't you come in out of the rain

Things'll never be the same

And then just like greta garbo

You stare like there's no tomorrow

And you'll know what i'm thinking of

Right before your eyes i fall in love with you

Do, do, do ...

Right before your eyes i fall in love with you

Right before my eyes you'll say you love me to

Rudolph valentino

I pull up in my limousine

Oh, won't you come in out of the rain

Things'll never be the same

And then just like greta garbo

You stare like there's no tomorrow

And you'll know what i'm thinking of, oo

Do, do, do ...
