

# American Authors, Believer

I'm just a believer  
That things will get better  
Some can take it or leave it  
But I don't wanna let it go  
[x2]

I'm a little bit sheltered  
I'm a little bit scared  
I'm a little bit nervous  
I'm goin' no where

I'm a little bit jealous  
I'm a little bit slow  
I'm a little bit hurtful  
And I don't wanna let it go

No?  
And I don't wanna let it go

I'm a little bit angry  
When every one's around  
But I get a little lonely  
When no one's out

I feel my demons  
Misleadin' me

I'm just a believer  
That things will get better  
Some can take it or leave it  
But I don't wanna let it go  
[x2]

Maybe when I get older  
And I'm in the ground  
The weight's off my shoulders  
It was bringin' me down

I've never been that lucky  
I've never tasted fame  
I'm always lookin' for something  
But I hate changin'

Time fades  
There's no space  
As life breaks new ground

I'm just a believer  
That things will get better  
Some can take it or leave it  
But I don't wanna let it go  
[x2]

It doesn't matter what is out there  
My head is spinning and it won't bail out  
It doesn't matter what is out there

Cause time fades  
There's no space  
As life breaks new ground

I'm just a believer  
That things will get better  
Some can take it or leave it

But I don't wanna let it go  
[x3]
