Cancer For The Cure
Song: Eels

The kids are diggin' up a brand new hole
Where to put deadbeat mom
Grandpa's happy watching video porn
With the closed-caption on
And father knows best
About suicide and smack
Well, hee hee hee

Cancer for the cure
Cancer for the cure
Buckle-up and endure now baby
Cancer for the cure

'Ol blue eyes is back again
But he was never here in the first place
A heart attack may be something to fear
But take a look out back
'Cause Courtney needs love
And so do I
Well, hee hee hee

Cancer for the cure
Cancer for the
Cure my baby
Buckle-up and endure now sweet thing
The cancer for the cure
