American Football, I'll See You When We're Both

if you're so prone to accidents and misunderstandings you may accidently misinterpret honesty for selfishness

we're two human beings individually with inherent interest in each other and how we relate

if you're still prone to accidents and misunderstandings you won't understand me or my motivation for being alone

we're just two human beings individually with inherent interest in each other and how we relate

considering everything me leaving with regrets only makes sense i'll see you when we're both not so emotional
