

# American Football, The Summer Ends

i'm thinking about  
leaving  
and how i should say  
goodbye  
with a handshake  
or an embrace  
or a kiss on the cheek  
or possibly all three

well maybe i've been wrong  
maybe my intentions  
are irrelevant  
but honestly it's just not for me  
we've both been so unhappy  
so let's just see  
what happens  
when the summer ends
