## American Graffiti, Since I Don't Have You

I don't have plans and schemes And I don't have hopes and dreams I don't have anything Since I don't have you And I don't have fond desires And I don't have happy hours I don't have anything Since I don't have you Happiness and I guess I never will again When you walked out on me In walked ol' misery And he's been here since then I don't have love to share And I don't have one who cares I don't have anything Since I don't have you You You You ....
