All the Geeks Get the Girls

another friday night

you get the feeling right

at the bar when he see her coming over

whatcha gonna do when she walks up to you

tongue tied better get yourself together

down another drink to give him time to think whats your sign hey i think you know a friend of mine a

tonight tonight hes gonna get it right even losers can get lucky sometimes

all the freaks gone on a winning streak

in a perfect world all the geeks get the girls

got her holdin steady forgot her name already sweatin heard not a smooth operator shes got it goin

tonight tonight hes gonna get it right even losers can get lucky sometimes all freak gone on a winni

the very next day he guess she ran away the one and only in his bed so lonely but she comes walk

last night he finally got it right even losers can lucky sometimes all the freaks gone on a winning str
