

American Hi-Fi, I'm A Fool

got nothing to loose this time
and i'm bored with the same old lines
i never know what to do or what to say to you
one look and you'll knock me out
you put me on the floor with a ten count
i don't wanna make a scene i gotta make you see
that i've been waiting for a girl like you
and i know there's nothing i could do

[chorus:]
don't wanna make you hurt
don't wanna make you feel
like the world ain't on your side
like you're never gonna get it right
no i can't fight i can't sleep at night
just thinking about you girl
i'm a fool for you
yes i am

you've been on my mind
since i saw you walking by
i knew i had to know you better you were everything
but i didn't know what to say
so you just walked away
i couldn't believe what a fool i was to let you go
cause that i've been waiting for a girl like you
and i know there's nothing i could do

[repeat chorus]

yeah

then i saw you at the beach talking with my friends
i couldn't believe my eyes it was my lucky day
so i just asked you out to the Forum to see No Doubt
when you said you would go i thought i might explode
cause that i've been waiting for a girl like you
and i know there's nothing i could do

[repeat chorus 2x]

yes i am
i am a fool for you
yes i am
i am
