American Hi-Fi, Safer On The Outside

i'm no good i feel too small something's gonna burn sink on you drunken highways someone take the wheel

[chorus:]
faded in the blackout you left me in it's safer on the outside i'm swimming in this kerosene it's hard to breathe statics got me down

i can't sleep i'm disconnected everything went wrong and certain stars are sad and bruised like someone's cheating heart

[repeat chorus 3x]

got me down, got me down, got me down safer on the outside, safer on the outside safer on the outside
