

# American Hi-Fi, The Breakup Song

I can't believe I hung around with you all this time  
You drove me crazy with your OCD girl you're out of your mind  
I'm counting on UFO's to beam me up I just don't know  
How long I can take this shit, I'm over it girl you gotta go

It's over, we're over  
Just like in crimson and clover  
We're sinking and I'm thinking  
How the hell did we get so stupid?  
It's the end, ex-girlfriend  
I don't care what you think of me  
So long, your gone  
This is the breakup song!

One more thing before you go would you please give me my records back  
My Bloody Valentine, The Pixies, Cheap Trick and Back In Black  
You can keep the dog we bought but you can't go near the Standard Bar  
Don't hang around, don't call my friends, They won't know who you are!

It's over, we're over  
Just like in crimson and clover  
We're sinking and I'm thinking  
How the hell did we get so stupid?  
It's the end, ex-girlfriend  
I don't care what you think of me  
So long, your gone  
This is the breakup song!  
So long, your gone  
This is the breakup song!

It's over, we're over  
Just like in crimson and clover  
We're sinking and I'm thinking  
How the hell did we get so stupid?  
It's the end, ex-girlfriend  
I don't care what you think of me  
So long, your gone  
This is the breakup song!  
So long, your gone  
This is the breakup song!  
So long, your gone  
This is the breakup song!  
So long, your gone  
This is the breakup song!
