

# American Idol, A Little Less Conversation - Jon P

A little less conversation, a little more action  
All this aggravation ain't satisfaction in me  
A little more bite, a little less bark  
A little less bite, a little more spark  
So close your mouth and open up your heart  
And baby satisfy me, hey satisfy me baby

Come on baby I'm tired of talking  
Come on baby now let's start a-walking  
Come on, come on  
Come on, come on  
Come on, come on

Don't procrastinate, don't articulate  
Girl it's getting late for you to sit and wait around

Yeah a little less conversation, a little more action  
All this aggravation ain't satisfaction in me  
A little more bite, a little less bark  
A little less bite, a little more spark  
So close your mouth and open up your heart  
And baby satisfy me  
Satisfy me, satisfy me
