

American Idol, A Moment Like This

What if I told you it was all meant to be
Would you believe me, would you agree
It's almost that feelin' that we've met before
So tell me that you don't think I'm crazy
When I tell you love has come here and now

Chorus: A moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
Oh I can't believe it's happening to me
Some people wait a lifetime
For a moment like this

Everything changes but beauty remains
Some thing so tender I can't explain
Well I may be dreamin' but still lie awake
Can't we make this dream last forever
And I'll cherish all the love we share

Bridge:

Could this be the greatest love of all
I wanna know that you will catch me when I fall
So let me tell you this
Some people wait a lifetime
For a moment like this

Chorus

Some people wait a lifetime
For a moment like this
