

American Idol, Alone

You don't know how long I have wanted
To touch your lips and hold you tight
oooooh
You don't know how long I have waited
and I was gonna tell you tonight

But the secret is still my own
And my love for you is still unknown
Alone

Till now I always got by on my own
I never really cared until I met you
And now it chills me to the bone

How do I get you alone

Till now I always got by on my own
I never really cared until I met you

How do I get you How do I get you
How do I get you alone
