American Idol, Cruel Summer

Hot summer streets and the pavements are burning I sit around Trying to smile but the air is so heavy and dry Strange voices are saying (ah, what did they say?) Things I can't understand It's too close for comfort this heat has got Right out of hand

It's a cruel, (cruel) cruel summer Leaving me here on my own It's a cruel, (it's a cruel) cruel summer Now you're gone You're not the only one It's a cruel

The city is crowded, my friends are away and I'm on my own It's too hot to handle so I gotta get up and go

It's a cruel, cruel summer (leaving me) Leaving me here on my own It's a cruel, (it's a cruel) cruel summer Now you're gone You'e not the only one

Now don't you leave me Now don't you leave me Well don't you leave me Come on, come on

Now don't you leave me Now don't you leave me Well don't you leave me

Come on, come on It's a creul, cruel summer (leaving me) Leaving me here on my own

It's a cruel (it's a cruel) curel summer Now you're gone You're not the only one

It's a cruel, cruel summer (leaving me) Leaving me here on my own It's a cruel (it's a cruel) cruel summer Now you're gone You're not the only one

It's a cruel, cruel summer It's a cruel, (it's a cruel) cruel summer

It's a cruel, cruel summer (leaving me) It's a cruel, (it's a cruel) cruel summer

It's a cruel summer
