

American Idol, Don't Play That Song- Kelly Clarkson

Dont play that song for me
Cause it brings back memories
Of the days that I once knew
And all the days that I spent with you

Oh no, dont let it play
It fills my heart with pain
Please stop it right away
Cause I remember just-a-what it said

It said darling
You know that you lied
Oh, you know that you lied
You know that you lied
You lied
You lied

I remember on our first date
You kissed me then you walked away
And I was only seventeen
And I never dreamed that he could be so mean

Oh darling
Dont you play it no more
Dont you dare play that song
You know you lied

Ohh ohh yah
