

American Idol Finalists - Season 4, Everything Is

Everything is beautiful in its own way
Like a starry summer night, or a snow covered winter's day
And everybody's beautiful in their own way
Under God's heaven, the world's gonna find a way
There is none so blind that's he who will not see
We must not close our minds, we must let our thoughts be free
For every hour that passes by, you know the world gets a little bit older
It's time to realize that the beauty lies in the eyes of the beholder
Everything is beautiful in its own way
Like a starry summer night, or a snow covered winter's day
And everybody's beautiful in their own way
Under God's heaven, the world's gonna find a way

And straighten it out in your mind

Everything is beautiful in its own way
Like a starry summer night, or a snow covered winter's day
Everybody's beautiful in their own way
'Cause under God's heaven, the world's gonna find a way
Everything is beautiful in its own way
Like a starry summer night, or a snow covered winter's day
And everybody's beautiful in their own way
Under God's heaven, the world's gonna find a way
Everything is beautiful in its own way
Like a starry summer night, or a snow covered winter's day
Everybody's beautiful in their own way
Under God's heaven, the world's gonna find a way
Oh, we gotta find
We've gotta find a way, yea
