

American Idol, I Can't Help Myself

Oh Sugar pie honey bunch
You know that I love you
oh I can't help myself
I love you and nobody else

In and out my life
You come and you go
Leaving just your picture behind
And i kissed it a thousand times

When you snap your finger
Or wink your eye
I come running to you
I'm tied to your apron string's
And there's nothing that I can do

Girl I call your name
Oh it's starts a flame
Burning in my heart
Tearing me apart
No matter how I try
My love I just can't hide

Sugar Pie honey bunch
You know that I'm weak for you
Oh, I can't help myself
I love you and nobody else
Sugar pie honey bunch
