

American Idol, It's Raining Men

For the first time
Just about a half past ten
For the first time in history
It's gonna start raining men

It's raining men
Hallelujah it's raining men
Every specimen
Tall, blonde, dark, and lean
Rough as you have ever seen

It's raining men

Hear the thunder, boy
You lose your head
Rip off the roof and stay in bed

It's raining men
God bless mother nature
She's a single woman too
She took all the angels
And rearranged the sky
So that each and every woman
Could find the perfect guy

It's raining men
