

American Idol, Just The Way You Are

Don't go changing to try to please me
You never let me down before
I don't imagine you're too familiar
I love you just the way you

I need to know that you will always be
The same old someone that I knew
What will it take till you believe in me
The way that I believe in you

I said I love you
And that's forever
And this I promise from my heart oh yes baby
I couldn't love you any better
I love you just the way you are
