

American Idol, Miss Independent

Miss independent
Miss self-sufficient
Miss keep your distance, no
Miss on her own
Miss almost grown
Miss never let a man help her off her throne
So, by keeping her heart protected
She'd never ever feel rejected
Little miss apprehensive
Said ooh, she fell in love

What is the feelin' takin' over?
Thinkin' no one could open the door
Surprise...It's time
To feel what's real

What happened to miss independent?
No more the need for me to miss him
Goodbye on you
Real love, true love is

Oooh...

Miss independent walked away
I'm so glad I finally feel...

What is the feelin' takin' over?
Thinkin' no one could open the door
Surprise (surprise), it's time
To feel (to feel) what's real

What happened to miss independent?
No one more the need for me to miss him
Goodbye old you
When love is true..
