

American Idol, Somewhere Out There

Somewhere, out there
Someone's sayin' a prayer
That we'll find, one another
In that big somewhere out there

And even though I know
How very far apart we are
It helps to think we might be wishing
On that same bright star
And when the night winds start to sing
A lonesome lullaby
It helps to think we're sleeping
Underneath the same big sky

Somewhere out there
If love can see us through
Then we'll be together
Somewhere out there
Out where dreams, come true
