

# American Idol, Superstar - Ruben Studdard

Words and Music: Leon Russell & Bonnie Bramlett

Long ago, and, oh, so far away  
I fell in love with you before the second show.  
And your guitar, and you sound so sweet and clear, but you're not really here.  
It's just the radio.

Don't you remember you told me you loved me baby?  
You said you'd be comin' back this way again.  
Baby, baby, baby, baby, oh, baby.  
I love you, I really do.

Loneliness is such a sad affair,  
sad affair;  
and I can't hardly wait, baby, no I can't, to be with you again.  
And what to say, to say, to make you come again?  
Mm, oh, honey  
Come on back to me again, yeah  
I wanna be, I wanna be anywhere you are.
