

American Idol, The One (Jose Miranda)

AMERICAN IDOL

I saw you dancing in the ocean
running fast along the sand
spirits born of earth and water
fire flying from your hand

In the instant that you love someone
from the second the hammer hits
reality runs up your spine
and the beast is finally fed

And all I ever needed was the one (the one)
like freedom fields
where wild horses run
when stars collide
like you and I
no shadows block the sun

Your all I ever needed
baby you are the one
