

American Idol, This Is The Night(By Clay Aiken)

When the world wasn't upside down
I could take all the time I had
But I'm not gonna wait
When a moment can vanish so fast
Cause every kiss is a kiss,
you can never get back...

Lift me up in your EYES
If you told me that is heaven is well
you'd be right
I've been waiting forever for this...
This is the night

When the answer to all my dreams
are as close as a touch away
Why am I here holding back what I'm trying to say

Lift me up in your EYES
If you told me that is heaven is well
you'd be right
I've been waiting forever for this...
This is the night

Hold me close to your heart
I would go with you to the end of the earth and will fly
I've been waiting forever for this, this is the night

This is the night where we captured forever,
and let our tomorrow begin,
After tonight we will never be lonely again...

Lift me up in your EYES
If you told me that is heaven is well
you'd be right
I've been waiting forever
this is the night

Hold me close to your heart
I would go with you to the end of the earth and will fly
I've been waiting forever for this...
This is the night
