

# American Idol, To Love Somebody

There's a light--  
A certain kind of light  
That never shines on me  
I want my life to be  
Here with you  
To live with you

There's a way  
I know everybody said  
Just to do every thing that I can  
But what good will it do,  
If I can't have you?  
If I can't have you?

Baby, you don't know what it's like  
You just don't know what it's like  
To love somebody...  
To love somebody...  
The way I love you

(break)

I'm just a man, can't you see that's what I am?  
And I breathe ever breath that I take from you  
But what good would breathing do, if I can't have you?  
If I can't have you?

(chorus)
