

American Idol, Weekend In New England - Jennifer

Last night I waved goodbye
Now it seems years
I'm back in the city where nothin' is clear
But thoughts of me holding you bringin' us near

And tell me
When will our eyes meet? When can I touch you?
When will this strong yearnin' end?
And when will I hold you?

And tell me
When will our eyes meet? When can I touch you?
And when will this strong yearnin' end?
And when will I hold you? when will I hold you?
When will I hold you again..
