

American Juniors, Make It Easy On Yourself-Lucy

If you really love her
And there's nothing I can do
Don't try to spare my feelings
Just tell me that we're through
My darling

If this is goodbye
I just know I'm gonna cry
So run to her
Before
You start crying to
And make it easy on yourself
Make it easy on yourself
Cuz breaking up
Is so
Very hard to do
Cuz, breaking up
Is oh so very hard
To do
