

American Juniors, Make Your Own Kind Of Music

Nobody can tell ya there's only one worth singing
Babe, they try and tell ya
'Cause it hangs them off to see someone like you

But you've gotta make your own kind of music
Sing your own special song
Make your own kind of music, even if nobody else sings along

Your going to be nowhere
The lonleiest kind of lopeing
It may be worth going
Just to do your things the hardest thing to do

But you've gotta make your own kind of music
Singyour own special song
Make your own kindof music, even if nobody else sings along

So if you cannot take my hand
And if you must be going
I will understand
Understand

Make your own kind of music
Sing your own special song
Make your own kind of music, even if nobody else, even if nobody
else, if nobody else sings along

Make your own kind of music
Make your own kind of music
Make your own kind of music

Sing your song
