

American Juniors, Open Arms-Chantel Kohl

Lying beside you
here in the dark
Feeling your heartbeat with mine.

Softly you whisper
your so sincere
How could our love be so blind

We sailed on together
We drifted apart
And here you are by my side

Chorus-

So now I come to you
with open arms
nothing to hide
believe what I say
So here I am with open arms
hoping you see what your love means to me

Open Arms.....

Living without you
Living alone
This empty house seems so cold

Wanting to hold you
Wanting you near
How much I wanted home

But now that you've come back
turned night into day
I need you to stay

Chorus-

So now I come to you
with open arms
nothing to hide
believe what I say
So here I am with open arms
hoping you see what your love means to me

Open arms
